Client Alerts

What do client alerts mean?

Client alerts are created by the S2D team to advise clients of any delays or disruptions in delivery service

- 1 When creating an order, once you've clicked on your pickup location, pickup date, and pickup time, you may see a banner appear at the top of your screen.
 - a. If the banner is **yellow**, you are still able to create the order.

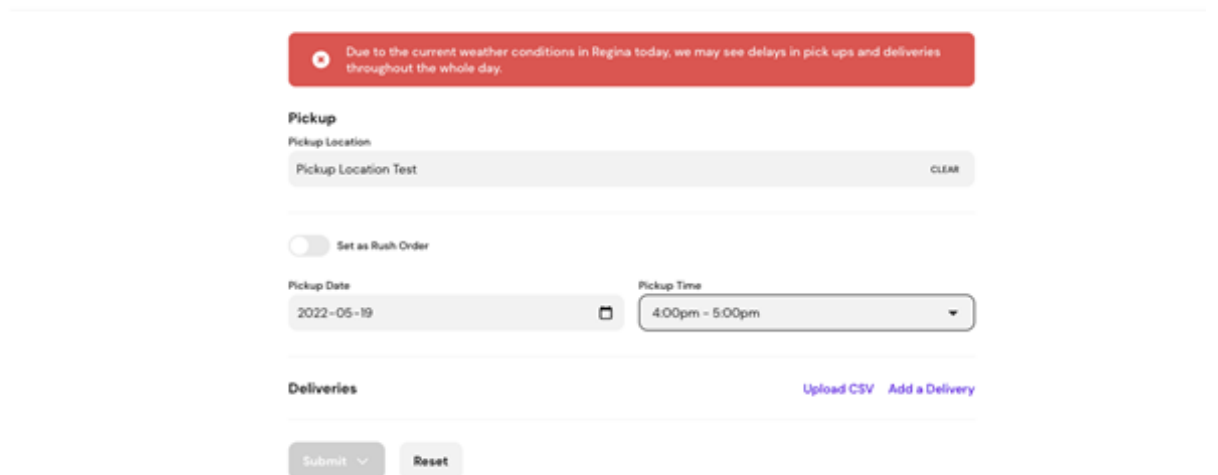

Create Orders

The screenshot shows the 'Create Orders' form with a yellow banner at the top. The banner contains a warning icon and the text: 'Due to the current weather conditions in Regina today, we may see delays in pick ups and deliveries throughout the whole day.' Below the banner, the form has sections for 'Pickup' and 'Deliveries'. The 'Pickup' section includes a 'Pickup Location' field with the value 'Pickup Location Test' and a 'CLEAR' button, a 'Set as Rush Order' toggle switch, a 'Pickup Date' field with the value '2022-05-19' and a calendar icon, and a 'Pickup Time' dropdown menu with the value '4:00pm - 5:00pm'. The 'Deliveries' section has links for 'Upload CSV' and 'Add a Delivery'. At the bottom, there are 'Submit' and 'Reset' buttons.

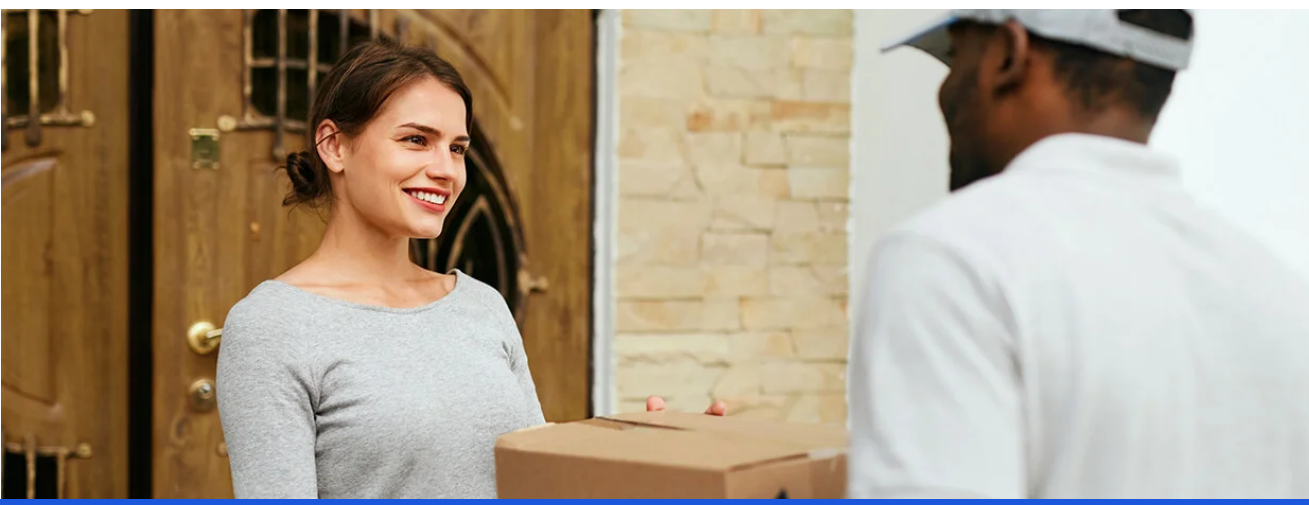

- b. If the banner is **red**, you are unable to create the order.

Create Orders

The screenshot shows the 'Create Orders' form with a red banner at the top. The banner contains a warning icon and the text: 'Due to the current weather conditions in Regina today, we may see delays in pick ups and deliveries throughout the whole day.' Below the banner, the form has sections for 'Pickup' and 'Deliveries'. The 'Pickup' section includes a 'Pickup Location' field with the value 'Pickup Location Test' and a 'CLEAR' button, a 'Set as Rush Order' toggle switch, a 'Pickup Date' field with the value '2022-05-19' and a calendar icon, and a 'Pickup Time' dropdown menu with the value '4:00pm - 5:00pm'.
